Dear Mr. Long:

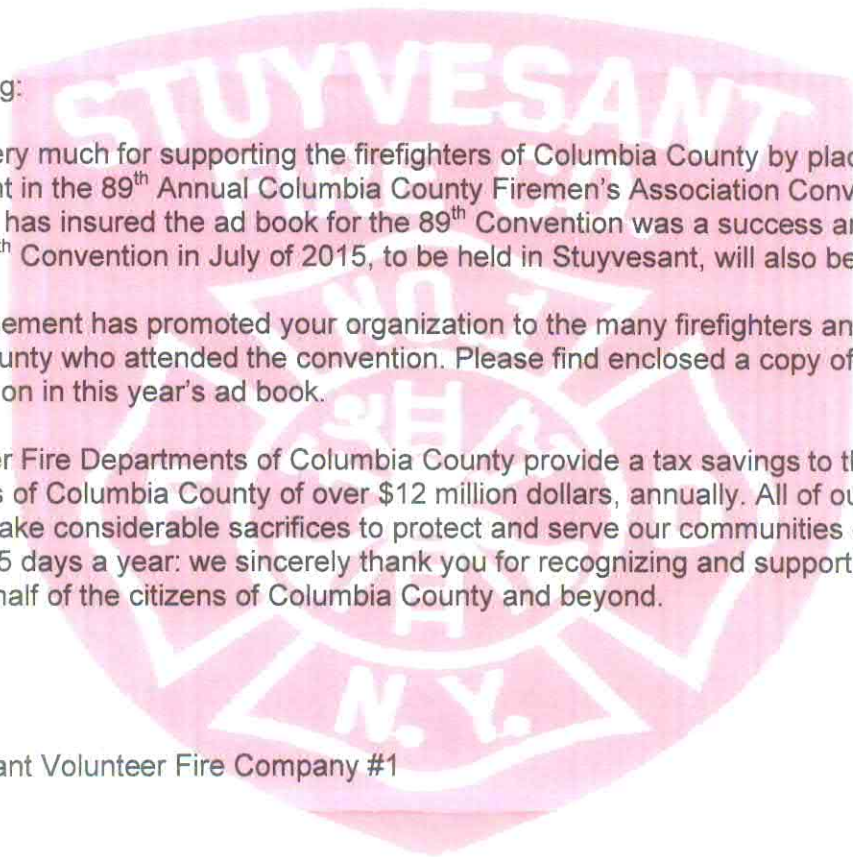

Thank you very much for supporting the firefighters of Columbia County by placing an advertisement in the 89th Annual Columbia County Firemen's Association Convention ad book. Your support has insured the ad book for the 89th Convention was a success and that the upcoming 90th Convention in July of 2015, to be held in Stuyvesant, will also be a success!

Your advertisement has promoted your organization to the many firefighters and residents of Columbia County who attended the convention. Please find enclosed a copy of the page your ad appeared on in this year's ad book.

The Volunteer Fire Departments of Columbia County provide a tax savings to the businesses and residents of Columbia County of over \$12 million dollars, annually. All of our volunteer firefighters make considerable sacrifices to protect and serve our communities each hour of everyday, 365 days a year: we sincerely thank you for recognizing and supporting their ongoing efforts on behalf of the citizens of Columbia County and beyond.

Yours truly,

The Stuyvesant Volunteer Fire Company #1
