## WE STAND BEHIND OUR PRODUCTS

Family owned since 1945, we're proud to serve the Capital Region area.

WHY POWER PLUS?

- Minimizes the need for winter kerosene, which is higher in cost and lower in BTU content

- Keeps a vehicle's fuel system cleaner and reduces deposits that negatively impact combustion and reduce available power at the wheels

- Protects critical fuel system components from corrosion

- Extends fuel filter and injector maintenance cycles

- Maintains fuel economy at optimum level

LE LONG ENERGY

WE SERVICE THE FOLLOWING COUNTIES

**ALBANY · RENSSELAER
COLUMBIA · SARATOGA
SCHENECTADY · SCHOHARIE
MONTGOMERY**

ABOUT POWER PLUS

Long Energy provides its propriety power plus winterized diesel to over 200 of the largest business fleets in the capital region. It is the only thing we trust to keep our trucks on the road on the coldest days of winter.

WE'RE HERE FOR YOU, WHEREVER YOU ARE

Long Energy offers a full range of motor fuels and fueling capabilities for small projects or large commercial use. Long Energy is also your connection for diesel fuels both on- and off-site.

Since 1945

POWER PLUS® PREMIUM DIESEL FUEL

Power Plus® premium diesel fuel can help lower total operating costs.

SUPERIOR DETERGENT

Specifically designed to clean dirty injectors by reducing fuel injector deposits.

CORROSION INHIBITOR

Power Plus® prevents:

- Rust and corrosion from forming

- Plugged filters, injectors and fuel lines

- Additional maintenance visits

FUEL STABILIZER

Power Plus® prevents:

- Formation of gum and sediment

- Clogged filters and injectors

- Diminished fuel economy

FUEL DEMULSIFIER

Power Plus® prevents:

- Fuel from freezing

- Water removal maintenance issues

- Injectors and warranty issues

WAX CRYSTAL MODIFIER

Power Plus® prevents:

- Large wax crystals

- Plugged filters

CFPP VS. CLOUD POINT

- Stops fuel from clogging, even beyond the cloud point

- Provides a lower temperature operation point
